

## FILLING APPLICATION FORM GUIDE

### General tips

- Be sure that you have been connected with Skouras Camp on Viber. To do so, you should scan the QR-code from Viber below:

- For getting the verification code, you should send 2026 to our Viber conversation after being connected.
- Before filling the application form, make sure that your web camera functions properly. Make sure that your browser (use only Google Chrome) allows the use of your web camera. Start by taking a photo. If your first try does not satisfy you, you can take another one. When ready, continue with the other blanks.
- The questions are those under the blanks. Examples are written with orange letters.
- When finished, press SEND. If every blank is correctly filled out, a relevant message will appear. If not, you will be returned to the incorrectly filled blank to correct it.
- Fill the application form with caution, since after you press SEND, there is no return back.
